

Central Illinois Section Scholarship Application Guidelines

1. Two \$250 scholarships are available for female high school seniors, continuing college students, transfer college students, graduate students and re-entry students who will be attending an ABET accredited engineering school to pursue a BS or higher degree full time or studying an ABET accredited program offered outside an engineering school in the following fall.
2. Applicant's home or school address must be inside the SWE-Central Illinois section boundaries. Both Bradley University and University of Illinois fall within these boundaries.
3. SWE section scholarship application, two reference documents, and a transcript must be **received by February 28**. Applications and letters of recommendation should be sent to the SWE-CI Scholarship Chair, Britta Jost, at SWE.central.Illinois@swe.org. Transcripts should be sent to Society of Women Engineers, Central Illinois Section, at PO Box 96, Mossville, Illinois 61552. Please **do not** send certified, registered or overnight mail.
4. Scholarships recipients will be determined by March 31st. Recipients shall be sent a letter to congratulate them and inform them how the awards will be distributed. Applicants not selected shall be sent letters thanking them for applying and encouraging them in achieving their goals.
5. College verification forms shall be sent to each scholarship recipient by July 15th. By August 31st, after receipt of completed school verification forms, scholarship checks will be mailed to recipients.
6. Scholarship recipients will be announced on the SWE Central Illinois web page.
7. Address any questions to Britta Jost, Scholarship Chairman, SWE.central.Illinois@swe.org.
